CORE SOUND CHRISTMAS

CORE SOUND
WATERFOWL MUSEUM & HERITAGE CENTER

Core Sound is getting ready for a Christmas Season like we have never celebrated before. After two years of hurricane rebuilding and a pandemic, we are ready to focus on something beautiful that brings our families and communities together.

Christmas can do that...

We are bringing back all the traditional ways Core Sounders have celebrated this most special time of the year for generations. *Old-time decorations, cedar trees and yaupon...* We will be sharing the stories, the recipes, the music.... It will be just like coming home again!

A *Core Sound Christmas* has its own healing power and we are working to overcome (not ignore) the restrictions we are now experiencing by finding ways to reach out to one another to renew our hope for a safer, kinder world. It will be a "different" Christmas Season but we intend to *make it better, more about our people and our place* and less about the glitz and rat-race Christmas can be.

We're doing Christmas this year OUR way, the Core Sound way...

...will you join us?
